

WET WEATHER PROCEDURE 2009

SATURDAY AND SUNDAYS

1. Do not telephone the Council's wet weather hotline as it does not operate on the weekends. Also do not trust the CCF website or another clubs website as they can be slow to update with closures or sometime not update at all on weekends.
2. Our website is your best source of information and will be updated from approx 6.45am with any ground closures that we have been notified of ,and will continue to be updated throughout the day/weekend.
3. If your game is scheduled to commence PRIOR to 9am at any ground and, we have been notified that the field is closed, we will contact the coach or manager by telephone as soon as possible.
4. If you are a player, or a parent of a player please do not telephone the fixtures officer or any other committee person, check the website first and then telephone your coach or manager if you are still unsure.

FRIDAYS NIGHTS

Are a different story as usually we will not know of ground closures until late Friday afternoon. We will then advise the coach and/or manager by telephone as soon as we know. This could be as late as 4pm on occasions. Again please do not telephone the Fixtures Officer or any other committee person.
